Tuesday, October 10, 2017

(Sponsored by Title I)

- On Tuesday, October 10, we will offer a session (at two different times) about ways to use technology at home to assist your child with school subjects. We will provide tips and tricks to keep them safe online and have a question and answer time at the end about programs we use here at school.
- Both sessions are the same, so just choose one to attend.
- We will offer childcare for little ones during both sessions.

We need to know how many people to plan for so that we can purchase food (pizza and drinks). Please return the bottom portion of this form to your child's teacher no later than Monday, Oct. 9. Thank you!

Please place a check mark and sign below. Please return as soon as possible! ☺
